

BURNPUR STEEL

Your Dream, our Commitment...

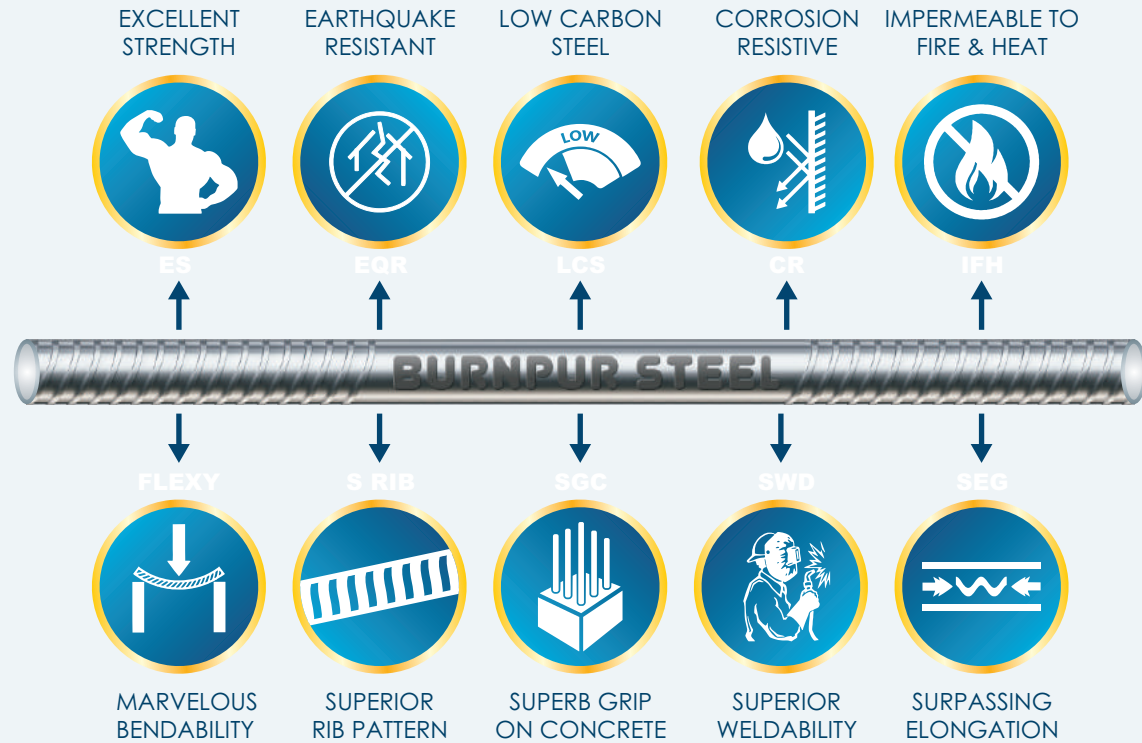

ABOUT

Burnpur Steel Co. is the leading global building material company serving customers, masons, builders, architects and engineers globally. The brand BURNPUR STEEL produces premium quality TMT Re-Bars which is vastly used in building domestic houses as well as the bigger & ultra-modern technically and architecturally challenging infrastructure projects.

As urbanization increasingly impacts people and the planet, BURNPUR STEEL provides quality TMT Re-bar products with a clear commitment to social and environmental sustainability.

OUR UNMATCHED QUALITY PARAMETERS

TMT Rebars sizing from 5.2 mm to 32 mm.

INTEGRITY

We often define integrity as doing the right thing even no one else is around. We constantly monitor our performance and are obsessed with continuous improvement. Thus, BURNPUR STEEL is guided by a set of principles, initiatives and management structures which enables an integrated vision and agile decision making.

ETHOS

We are trustworthy and ethical in our quality products according to BIS guidelines. We promote eco-efficiency through the use of innovative products, practices, solutions and foster integral customer relationships to perpetuate the BURNPUR STEEL legacy.

MISSION

Our aspiration is to provide quality products and services in a safe, responsible & profitable manner, promote innovation and lead green development in the Industry, thereby to build an everlasting Strong business relationship.

VISION

To meet the pre determined goals by strengthening and expanding the existing activities through various strategic alliances to achieve the targeted positive growth.

OUR GOAL IS ZERO ACCIDENT

BURNPUR STEEL CO views Safety as the most valuable resources in corporate survival and development, and diligently creates safe and harmonious working environment. We believe that a safe and healthy workplace is a fundamental right of every person and also a business imperative. Our Workplace Rights Policy requires that we take responsibility for maintaining a productive workplace in every part of our company by doing what we can to minimize the risk of accidents, injury and exposure to health hazards for all of our associates and contractors.

GOODNESS COMES FROM INSIDE

“We make a living by what we get but we make a life by what we give”. We are committed to respecting human rights and engaging with those who impact or may be impacted by our business. We work to minimize disturbances or cumulative impacts from our operations. We recognize the dignity of all human beings and our core values embrace these inalienable rights for all people to live their lives free from social, political, or economic discrimination or abuse.
